

Bus Stop Location

Students will be assigned to bus stops within the following guidelines:

- Bus stops will be located on arterial or primary access residential streets only.
- Bus stops/travel will not be established on private property.
- Walking distance to bus stops will be 10 blocks or less for middle/high school students where feasible.
- Walking distance to bus stops will be 7 blocks (.7 of a mile) or less for elementary school students where feasible. Elementary students will not be assigned to bus stops which require them to cross an arterial street.
