

Minimum Ridership Standard

Bus service will be provided when a review indicates a minimum of twenty (20) or more student riders in a common service area. Determination will be made based on student assignment data available to the Transportation Office on July 1.

If actual ridership drops below the minimum in the 2003-2004 school year, this service may be rescinded after the following actions have occurred:

- School administrator is notified.
- Students/parents are notified.

Service modifications will be scheduled to occur at semester break only.
