

Space Available Transportation

The provision of space available transportation will be allowed under the following conditions:

- The granting of space available will be at the discretion of the Transportation Supervisor.
- Space available will be an option which may be considered when determining an appeal. The following conditions must be present:
- Existing stops must be used.
- Access to the stop must be within District assignment criteria
- Space availability will be defined as five or more seats below the rated capacity of the bus assigned to the route in question after October 1.
- The granting of space available will not increase cost to the District. If service needs change during the course of the school year the authorization may be rescinded.
- Granting of space availability will be based on the condition that there are no other peer group students available with whom the student ride share or walk.
